WELCOME

Since 2005 Fusion Furniture Solutions have offered a complete furniture solution for HMO, SA, and Landlord Investors. The furniture and furniture packages are curated to improve all aspects of your property and include everything you need in order to be ready for market. We can help you maximize the potential of your property investment by providing you with an affordable, yet stylish, all-encompassing furniture solution.

A professional and experienced team deliver and install your order in one day leaving it ready for advertising, photos or viewings. Fusion have also recently started to build their own bedroom & living room furniture which features 18mm boards with 2mm edging and metal drawer bases & runners! The result is an even more robust product than ever before and probably the strongest and most durable on the market at the price points offered! The majority of their stock is manufactured in the UK which means they can control both quality and delivery
